## SAME THING YESTERDAY

In The First Game of Double  
Header Played at  
Clarksville.

The first game of the double  
header with Clarksville yesterday  
morning, was a victory for Hopkins-  
ville by 3 to 2.

The batteries were:  
Clarksville; Hodges and Blue,  
Hopkinsville; McMonie and Cranor,  
Umpire Moss. Attendance 900.

The second game was played here  
at 4 p. m. and was stopped by rain  
at the end of the seventh inning,  
score Hopkinsville 3, Clarksville 2.  
Umpire Moss. Attendance 1120.

Batteries—Demaree and Cranor,  
Priest and Blue. The features of  
game were the heavy hitting of  
Smith of Hopkinsville, two 2 baggers  
and a single, and of Lambert who  
made two 2-baggers and a home  
run (due to ball lost in the grass.)  
Each was at bat three times.

### FRIDAY'S GAME.

The most interesting game of the  
local season played between the  
chesty Clarksville bunch and the  
Moguls Friday resulted in a victory  
for Hoptown to the tune of 3 to 2.

Clarksville started the excitement  
in the first and after Laitner had  
whacked, McCance had failed to  
reach 1st. Keen singled and scored  
on Cranor's wild peg to second.  
Shinn struck out, retiring the side.

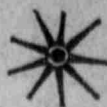

In the fourth, Lynch for Hoptown  
took four wide ones, reached 2nd on  
Bridges' error, took third on Lyons'  
single and died at home on Flana-  
gan's grounder to short. Cranor  
passed, Yon bunts, forcing Lyons at  
the pen. With the bags full, Russell  
drove out a Texas leaguer for two  
bags, Flanagan and Cranor scoring.  
Bradbury died at 1st. Clarksville  
tied the score in the 5th. Lynch  
copped Heck's fly. McWilliams bluffed  
one for two bags and scored on  
Bridges' single. Bridges expired at  
second by fielder's choice, and Lait-  
ner failed to reach first. Score 2 to  
2.

It remained tied until the end of  
the tenth. Flanagan flied out to the  
central garden, Cranor singled but  
died at second by fielder's choice on  
Yon's bunt, Yon being safe on first.  
With two men dead, Russell tags one  
of the mighty Keen's shoots on  
the trademark to the dog fennel in  
right and Yon sprints home with the  
winning run. And Nero fiddled  
while Rome burned.

Hopkinsville 000 200 000 1 3 101

Yon pitched a superb game. He  
had perfect control, did not give a  
single pass and struck out seven of  
the mighty sluggers. He had the  
whole aggregation climbing after  
his rises and digging trenches after  
his drops, straining after his outs  
and breaking their backs at his in-  
shoots. And besides he fielded his

# MODERN LOCOMOTION.

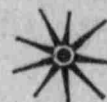

Few Cities surpass Hopkinsville in the variety of vehicles she manufactures and handles. She  
is even making a flying machine. We ourselves handle

Wheelbarrows, Toy Wagons, Bicycles,

Buggies and Carriages, Automobiles, Dump-Carts,

Mogul Road and Log Wagons,

all the best that money can buy, and what's more we are prepared to repair every one of  
them promptly and efficiently. Last Saturday we sold one of our biggest merchants a  
\$3,500.00 Automobile. Will quote Flying Machines later, and when we take the agency for  
one it will be the best obtainable, and we will build a suitable stable for it even if we have to  
go up in the air to do it, for Hopkinsville's leading institution must keep abreast of the times.

position well. The fans gave him a  
purse of about \$15 for his good  
work.

Those who "know" claim that  
Brown stands at the head of the  
batting lists in the local games with  
.380, Flanagan next with .375 and  
Lyon third with .371.

In Friday's game Lyons slugged  
up to the .800 mark. Russell too  
got a couple of bingles which net-  
ted the three runs.

Yon is improving his batting. Be-  
sides getting on bases twice and  
making the winning tally, he knock-  
ed two even fouls.

Vincennes, Ind., July 2.—Paducah  
took the opening game here by the  
score of 2 to 0.

### SUNDAY'S GAME.

Henderson, Ky., July 4.—Clarks-  
ville defeated the Hopkinsville Kitty  
league team in a slow game at the  
fair grounds yesterday afternoon by  
the score of 7 to 4.

The feature of the game was the  
star stick work of Keen, first base-  
man of Clarksville. In four times  
up he received a single, a two bag-  
ger and a home run. His home run  
was the longest drive ever seen on  
the local diamond.

Bailey for Clarksville, was invinc-  
ible. He pitched a steady game and  
allowed only two hits. Fay, for

Hopkinsville, started off well, but  
Clarksville batsmen found his deliv-  
ery in the third inning and pounded  
him hard. Score:

the Moguls Saturday was prevented  
by rain.

ST. ELMO MOPS UP WITH TRENTON.

In two of the fastest games in re-  
cent years St. Elmo gave Trenton  
two shutouts on the latter's grounds  
Saturday afternoon.

In the first game Morrison, for  
St. Elmo, pitched a no hit game, on-  
ly allowing one man to reach first  
base on a pass. St. Elmo supported  
him with an errorless game.

In the second game Ferguson, for  
St. Elmo, only allowed three scat-  
tered hits. First game, St. Elmo 3;  
Trenton 0.

Batteries: Morrison, Trabue; Por-  
ter, (K.I.T.) Glascock.

Second game, Elmo 10, Trenton, 0.

### CAUGHT ON THE FLY

It leaked out this morning that Cy  
Lambert, the big hearted pitcher for  
the locals, is expecting to become a  
Benedict early this fall. Cy, while  
he won't deny it, yet is a little bit  
tenderfooted on the subject.—Leaf-  
Chronicle.

Paducah comes today for four  
days. Now boys, let's do busines.

St. Elmo has the strongest strictly  
amateur team in this part of Ken-  
tucky, having won 12 out of 14  
games this season, including five  
shutouts.

### Summer Boarders.

### WARNER ESCAPES

A Second Time From The  
Western Asylum.

Geo. B. Warner, the slayer of  
Pulaski Leeds, superintendent of  
machinery in the Louisville and  
Nashville shops at Louisville, seven  
years ago, escaped from the asylum  
here again Friday. He escaped

several years ago, but was later re-  
turned. Warner remained only  
about a month before and but little  
longer this time.

Last May he surrendered himself  
to the authorities at Deer Lodge,  
Mont., saying he was tired of being  
a fugitive. He was brought back  
to the asylum by Chief Deputy Sher-  
iff Robert C. Kaltenbacher, of  
Louisville, and strict surveillance  
had been kept day and night until

Friday, when vigilance was relaxed.  
Nearly all the patients were on  
the lawn and only one attendant  
was left in Warner's ward. In some  
manner Warner, who is a mechan-  
ical expert, opened the door and made  
his escape.

The alarm was quickly given, but  
the only clue discovered was that he  
had gone one mile out the Butler  
road and entered the woods, going  
in a northerly direction. His fam-  
ily lives in Indianapolis.
